## *Fiberli : Turkey*

- *Fiberli is a rooted and leading brand of Turkey and the story of Fiberli began with the establishment of PSL Electronic in 1991. The business life of PSL Electronic started with audio-video-lighting applications. In 2000, PSL Electronic gave up this implementation area and decided to specialize in LED and Fiber Optic systems. After seven years, PSL created its brand, Fiberli and took place in literature as “the first Turkish company that uses fiber optic lighting systems.”*
- *Today, Fiberli becomes the most ambitious brand of lighting sector in Turkey with the Research & Development works and leading edge technologies of PSL Electronic. Fiberli is getting bigger and bigger in lighting sector and reaches to the world, especially European countries, with its experience in lighting design. Fiberli products, which are manufactured in a 6,000-square-metre factory, meet with consumers in more than 20 countries. Fiberli presents contemporary illuminating services by following world standards and changing lighting technologies.*
